on the battlefield faith and resilience in spiritual warfare equips believers with strategic tools for overcoming spiritual warfare drawing on both military principles and biblical truth through real life experiences and scripture based insights this book empowers readers to navigate life s toughest battles with resilience faith and the courage to stand strong in christ whether facing personal trials or spiritual attacks on the battlefield offers a battle tested plan for victory reminding readers that they are not alone in the fight and that restoration and strength are found in god this book speaks to both those with a military background and those facing their own personal challenges providing them with tools to overcome adversity and stay faithful in the toughest of times the lessons found within are drawn from personal experience grounded in biblical truths and delivered with the precision and strategic mindset of a military tactician

recounts the story of wartime photography from the first use of cameras on the battlefield through the war in vietnam

ever since the custer massacres on june 25 1876 the question has been asked what happened what really happened at the battle of the little bighorn we know some of the answers because half of george armstrong custer s seventh cavalry the men with major marcus reno and captain frederick benteen survived the fight but what of the half that did not the troopers civilians scouts and journalist who were with custer now because a grass fire in august 1983 cleared the terrain of brush and grass and made possible

thorough archaeological examinations of the battlefield in 1984 and 1985 we have many answers to important questions on the basis of the archaeological evidence presented in this book we know more about what kinds of weapons were used against the cavalry we know exactly where many of the men fought how they died and what happened to their bodies at the time of or after death we know how the troopers were deployed what kind of clothing they wore what kind of equipment they had how they fought through the techniques of historical archaeology and forensic anthropology the remains and grave of one of custer s scouts mitch boyer have been identified and through geomorphology and the process of elimination we know with almost 100 percent certainty where the twenty eight missing men who supposedly were buried en masse in deep ravine will be found

a history of military skiing and winter warfare with chapters on winter equipment organization and training of scandinavian alpine russian american british and dominion armies

the battle of gettysburg was undoubtedly one of the greatest conflicts of modern times not only from the number of combatants engaged and the desperate nature of the struggle but because on the now classic heights of cemetery ridge culps hill and the round tops the future of the american republic for weal or for woe was fought and won on those memorable july days as decisive in its character and far reaching results as the battle of waterloo like it it has been the subject of endless controversy and military criticism and has brought forth a multitude of books pamphlets and letters most of which serve but to bewilder and darken visibly the student of history fortunately amid the din and confusion of bitter polemical warfare there is one historian to whom the general reader can turn with confidence one who has devoted to this battle years of patient study and untiring research has critically examined all the official and unofficial documents reports and publications to be obtained from reliable sources on either side of the controversy has thoughtfully sifted the evidence for every statement made has consulted with the surviving officers of either army and then with malice toward none and charity for all and with an impartiality rare even in a foreigner of his exalted position and

pre eminent ability has sought and not in vain to write truly the history of the greatest battle fought on american soil publisher s pref
